JAPANESE TEA

Osaka Area

Experience Japanese Tea!
Walking Map

Relax and take a break with green tea!

You can drink delicious green tea
with a meal or whenever you want to relax.

In fact, there's more to green tea than its flavor.

Green tea has plenty of components that are good for your body, too.

Catechins are just one example.

Cold brew green tea is especially recommended
to boost your immune system or relieve stress.

It's the perfect drink for when you want to take a break.

These effects vary depending on how you brew or drink the tea.

Find your own favorite way to enjoy tea
according to your lifestyle and mood.

ITADAKIMASU About JAPANESE TEA

Here you'll find stores in the **<Osaka Area>** where you can experience
the charm of green tea by touching, smelling, brewing and tasting the tea.
Open up this map and experience tea for yourself during your sightseeing journey.

Tea is full of components that are good for your body

Catechins

Antioxidant
Suppresses the rise
in blood sugar,
etc.

L-theanine

Promotes
relaxation

Fluoride

Prevents cavities

Vitamin C

Promotes
beautiful skin,
etc.

Vitamin E

Antioxidant
Prevents aging,
etc.

How to identify delicious tea

POINT
1

The leaves are
deep green, thin,
and curled up

POINT
2

They look glossy
and feel firm

POINT
3

They feel heavy
in your hand

POINT
4

They smell good

POINT
5

Taste the tea and check its flavor, aroma, and color.
To prevent the tea you buy from deteriorating in
quality, it's important to store it in an airtight
container and prevent it from contacting air as much
as possible!
